

Information Session

Following the severe damage caused by the storm, the Municipality is holding an information session for affected citizens.

We know that many families and businesses are going through a difficult time. This session aims to provide clear information on available support and guide citizens on the procedures to follow.

Topics to be covered:

- Housing reconstruction support
- Social Security measures
- Tax measures
- Support for employers and self-employed workers

Date: March 1, 2026

Location: Casa Municipal da Cultura de Alvaiázere

Sessions: 3:00 PM – In English (for foreign residents)
5:00 PM – In Portuguese
